

Basic Supply List LIFE BOOK 2013

As we'll be spending the whole year together (wow!), the supply list is likely to change/ adapt/ grow and transform here and there, as will you! :0)

So please assume the list below is tentative and that you may need a few more bits here and there as the year progresses. That said, it's not always necessary to use the exact same materials as the teachers do. Certain materials can easily be replaced by similar or other materials. So if you're on a budget, don't go mad buying lots of new materials.

These are the basic materials that I use the most:

Paper:

Daler Rowney – Hot Pressed – The Langton – 140b size: 12 x 9 inches (Note: people have told me the hotpressed is hard to find, cold pressed is totally fine!).

Paints:

Watersoluble crayons – Caran D'ache Neocolor II
Acrylic Paints – Daler Rowney/ Golden/ Winsor Newton

Pencils:

Watercolour pencils: Derwent Inktense/ Caran D'ache Supracolor
Graphite pencils: 2b & heavier
Graphite crayons are fun but optional

Mediums:

Gel Medium: Golden or Liquitex I have both heavy and soft. If you just want to buy 1 go for soft matte.

Cheaper gel medium to use as an adhesive: Daler- Rowney Impasto Gel Matt/ [Golden Matte Medium](#)

Collage:

Variety of patterned scrapbooking papers, magazine pages, book pages and photos.

Tools:

Brayer/ Palette Knives/ Scissors/ Rulers
Heatgun or Hair Dryer

Markers:

Aquamarkers Letraset

Inks/ Sprays:

Dylusions Ink Sprays
Daler-Rowney Liquid Acrylics
